Alice Jamieson Girls' Academy (AJA) Open House Wednesday January 10th, 2024 6:00pm-7:00pm

AJA is a Science, Technology, Engineering, Arts, and Mathematics (STEAM) based program that emphasizes collaborative, inquiry-based learning. The success of this innovative program thrives through students, staff, and members of the broader community working together to explore curriculum that highlights how women contribute meaningfully to society and lead change.

Our program is an alternative program within the Calgary Board of Education that develops academic leadership and organizational skills in a setting that enables students to explore their passions. At AJA, we emphasize student independence, empowerment, leadership, self-confidence, and personal growth.

Join us at Stanley Jones School to meet the AJA staff and learn about our program.

5:45pm – Doors Open

6:00pm – Program Presentation and Q&A

6:30pm-7:00pm - Tour the school and speak with staff

Registration information is available here [Alternative Program Expression of Interest](#). Please email the school at stanleyjones@cbe.ab.ca or call the main office at 403-777-6800 for assistance.
