About us –

Here at Georges P. Vanier, we are home to numerous programs: Community Regular English, Early French Immersion program, Late French Immersion, Learning and Literacy (L&L) program and a Wood's Homes Satellite. Although we have many diverse programs at Georges P. Vanier, we strive to be a community school where regardless of programming, background or neighbourhood we are all members of the same school community, and we are strong as a whole because of this.
